

OFFICE OF THE DIRECTOR

*O/DCT
Chrono*

Date: 21 July 1982

TO: Mr. Casey

FROM:

STAT

SUBJECT: Call from Ambassador Porter

REMARKS:

The Israeli government announced last night that they are moving Israeli civilians, including men and women, into Lebanon.

These civilians are to set up "administrative services" in Israeli-occupied territory.

Comment: This is a very serious matter. Similar measures preceded the development of Israeli settlements on the West Bank and in Egypt.
